

**Trailwalker™ UK 2011**

STATE STREET.

As part of our commitment to charity, our group CEO, David Alexander, recently completed one of the hardest charity challenges in the UK – the Trailwalker challenge. <http://www.oxfam.org.uk/Trailwalker>

520 teams set off to tackle the UK's most inspiring team challenge this year : 100km in 30 hours with the Gurkhas.

The weather was awful, only 25% of participants finished and the team walked through the night to complete it in 3 minutes under 24 hours – 102nd out of 522. Most importantly, the team raised almost £10,000 for a magnificent cause and we thank all of you for your support.
